Notice

Dear Parents and Guardian,

We have recently observed an increase in the number of students attending classes despite **suffering from high fever**. We sincerely **request** all parents and guardians to **kindly avoid sending their wards to school if they are experiencing fever or any other symptoms of illness**.

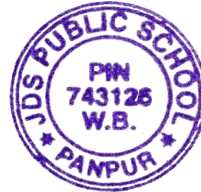

Sending an unwell child to school may not only affect the child's own recovery but may also put other students at **risk**. We therefore request parents to **prioritise the health and well being of their wards and allow them adequate rest and recovery at home**.

Parents are also assured that if a child is unable to appear for any class test or evaluation especially for the Pre-Primary classes due to illness, the absence will be considered on medical grounds, and the assessment can be scheduled at a later date, as deemed appropriate by the school.

Please take care.
